

SAY YES, DO NOTHING

About Us

Imagine a punk fronting a honkytonk...with a lairy Jimmy Paige in tow.

Say Yes, Do Nothing are a London-based rock band that has been selling out underground venues throughout 2023.

Lead singer Dave writes songs and packs gigs between humanitarian missions in war zones. Lead guitarist and singer, Dan, is a music teacher for urban minds, and drummer Matty and bassist Jake are music producers.

SYDN is renowned for engaging gigs full of blazing guitars and wild drum solos that leave fans sweaty and happy. Poetic lyrics describe experiences with homelessness and boozy heartbreak.

The band keeps busy with a podcast, 'Shots From Across the Pond' featuring interviews and music from artists on Eardrum Buzz Radio. They make their own band t-shirts, too!

SYDN's single, 'Hit the Top', rasps 'you know you won't break ground until you're buried, and everything you'll ever have will be temporary'. 'By the River' by Dan is a heavy blues stomp that 'throws you back to the golden 70's' (Rock Era Magazine). 'Play For Keeps' tells the story of a Ukrainian musician saying goodnight, and goodbye, to his daughter, before leaving her his guitar to go off to fight. The charity single benefits musicians in Ukraine.

Say Yes, Do Nothing are completing their first EP and videos for release in 2024.
